## *A Note from our Principal, Mr. Vaughan:*

*Two quick notes regarding morning drop-off and afternoon pick up: please do not stop and park in front of the school between 7:30-8:00 A.M. Kenton Street is for a quick drop off only. In order to avoid cars stopping in the middle of the street, we need to keep the curb area clear. If you need more time for morning drop off, please use the church parking lot or the east end of the staff parking lot. If your student stays for an after school activity, please park on the street and walk onto the parking lot. We have quite a number of students on the playground waiting to be picked up, and we do not want cars driving near them. Your help with these two requests is greatly appreciated!*

*You are all in my prayers every day.*

**In Case of Severe Weather**, school closings will be announced on Channels 31, 9, 7, 4, and 2. The school's website, and phone voicemail will be updated with the closure information and an e-mail/text will be sent to families. If school is closed, be assured it is called with safety in mind for students, school staff and parents.

**Sick Children** - This time of year, we always see an increase in children getting sick. We would like to remind everyone to make sure you keep sick children **home** if they have a **fever**, been **vomiting** or have **diarrhea in the last 24 hours**. A child must be **fever free (without fever medicine)**, **vomit & diarrhea free for 24 hours**, before **returning to school**. With everyone's help, we should be able to limit spreading illnesses as much as possible.
