A Note from our Principal, Mr. Vaughan:

The virtue we're working on this week is diligence. Throughout the week, we've been reminding students about the importance of working hard and persevering through difficult tasks. Unfortunately, many young people today are quick to give up when something is hard. If we raise a generation of children who do not know how to do tough things, we'll soon have a generation of adults who won't be equipped to face the world's problems! We pray this isn't so for the children of St. Therese. Please continue to speak with your child about this virtue and the value of hard work, not just to check things off the to-do list, but to glorify God the Father!

You are all in my prayers every day.
