Sick Children – this time of year we always see an increase in children getting sick. We would like to remind everyone to make sure you keep sick children **home** if they have a **fever**, been **vomiting** or have **diarrhea in the last 24 hours**. A child must be **fever free (without fever medicine), vomit & diarrhea free for 24 hours**, before **returning to school**. With everyone's help we should hopefully be able to limit spreading illnesses as much as possible.
